Leadership & Communication: Team Leadership | Event Coordination | Teaching & Mentoring | Public Speaking

Tools: Excel | PowerPoint | Word | Google Workspace | Canva

PROJECTS

Business Analyst Job Market Analysis (SQL) github.com/kutubbahar2018-cpu/Sqp_project

Personal Project | SQL, PostgreSQL, VS Code, GitHub (charts created with AI assistance)

- Analysed Business Analyst job postings in PostgreSQL using multi-table JOINS, CTEs, filtering and aggregation to compare salaries, countries and skill demand
- Found yearly salaries ranging from about \$30K to \$387K, with SQL (312 postings), Excel (226) and Tableau (212) the most requested skills among the highest-paying results

Macroeconomic Development Analysis — Costa Rica, Chile & Poland

Academic Research Project

- Compared macroeconomic indicators across three countries over a 20-year period
- Used World Bank data to support cross-country analysis
- Interpreted economic trends and presented findings in a structured research format

SELF-DIRECTED LEARNING

Business Analysis Fundamentals

- Practicing core BA techniques — stakeholder analysis, root cause analysis, 5 Whys — through guided scenario-based exercises
- Building understanding of problem framing and process analysis

SQL Fundamentals

- Practicing SQL querying, filtering, aggregation, GROUP BY/HAVING, and JOINS through guided exercises using PostgreSQL

WORK EXPERIENCE

Bookkeeper — M/S Shajahan Store

Chattogram

- Maintained financial records and transaction logs for the business
- Tracked income, expenses, and reconciled accounts on a regular basis
- Supported basic financial reporting and record accuracy

Head of Department – English — ExcelBiz

Dhaka

- Led the English department, overseeing curriculum delivery and instructional quality
- Conducted structured English instruction and identified learning gaps through observation and assessment
- Coordinated with instructors and adapted teaching approaches to student needs

English Instructor — Shwapno Dhabi

Dhaka

- Conducted structured English instruction and identified learning gaps through observation and assessment
- Adapted teaching methods to individual student needs
- Communicated complex concepts clearly across varying skill levels

Academic Content Contributor — Shwapno Dhabi Publications

Admission Written Book, HSC Academic Practice Book
